In *Against Politics* Jasay takes a closely reasoned stand, based on modern rational choice arguments, for rejecting much of mainstream thought about these matters. In the first part of the book, *Excuses*, he assesses the standard justification of government based consent, the power of constitutions to achieve limited government, and ideas for reforming politics.

[Against Politics by Anthony De Jasay - Goodreads](#)

A strong collection of essays in the market anarchy tradition. I was particularly intrigued by the distinction De Jasay draws between rights and liberties in which he defines a rights as agreement based privileges always carrying a corresponding obligation and liberties as simply the ability to take any feasible action based on the legal
