All Shook Up (Audible Audio Edition): Susan Andersen ...

'All Shook Up' was no exception. Not as much action as I expected from her other books, but this one had alot of sweeter moments that some of the other lacked a bit. This is also a classic 'beach book' with the fast-paced dialog and storyline that will keep you turning the pages for more.

And as always, her male leads are gorgeous and she seems to have that knack of getting to the nitty gritty.
