[Anthropology and the United States Military: Coming of Age in the Twenty-first Century](#). Palgrave-McMillan, 2003. 192 pp. All of us, in this first decade of the 21st

century, live in an ever more crowd-ed, complex, and definitely more violent world. Global wars between nation states have been replaced by asymmetric conflict of which anthropolo-gists appear to know so little. At this very moment a

Studying Immigration: Anthropology's Contribution in the US

Here are some of the many anthropologists studying immigration in the United States: Ruth Gomberg-Mu oz is a sociocultural anthropologist with research and teaching interests in political economy, migration, globalization, race/ethnicity/class, applied anthropology, and urban ethnography.

History of anthropology - Wikipedia

Anthropology in the United States continues to be deeply influenced by the Boasian tradition, especially its emphasis on culture. Ruth Benedict in 1937 Boas used his positions at Columbia University and the American Museum of Natural History to train and develop multiple generations of students.

Anthropology and the United States military : coming of ...

This collection of ethnographic research seeks to provide visions of and for US military culture from a solid anthropological base. The volume explores several important but relatively unknown cultural variations in the defense community through a variety of lenses.

The Army Needs Anthropologists Foreign Policy

When HTS employees became Army civilians rather than contractors in 2008 primarily due to the terms of the United States Status of Forces Agreement with the Iraqi government some

American Anthropological Association - Official Site

Historically, anthropologists in the United States have been trained in one of four areas: socio-cultural anthropology, biological/physical anthropology, archaeology, and linguistic anthropology. Anthropologists often integrate the perspectives of several of these areas into their research, teaching, and professional lives.

Anthropology of the United States Military - Pamela Frese ...

The rich variety of the chapters offer unique ethnographic insights into US Military culture.”--Donna Winslow, Vrije University, Amsterdam

“An extraordinarily timely collection of fine articles on the military when the subject matter is in the forefront of most of the people not only in the United States but in the world at large. As anthropology is coming home to their own

culture and
