Assuring the quality of health care in the European Union : a case for action / by Helena Legido-Quigley, Martin McKee, Ellen Nolte and Irene A. Glinos

**Assuring quality of health care in the European Union**

...

The European Union has only limited ability to take action on health care but if free movement of Europe's citizens is to become a reality, an essential measure would be to ensure that appropriate systems are in place to ensure high quality care, even if the approaches taken will vary according to local circumstances. This requires a dialogue between those responsible for funding and providing health care in Europe. This book contributes to this important process.

**How can quality of health care be safeguarded across the ...**

Elements of a high quality health system. Healthcare policy in the EU has, at its centre, a fundamental contradiction. Successive European treaties clearly state that health care is the responsibility of member states but the delivery of health care involves people, goods, and services that are subject to European law.
