One in 68 US children have an autism spectrum disorder, and with countless parenting books helping families care for children with special needs, *Autism and the God Connection* is the crucial, spiritual look at understanding a child with autism. Helping parents realize their child's unique spirit and reaffirm that every one of us is a blessing, this is an inspirational resource to discovering [Autism and the God Connection: Redefining the Autistic ...](#)

I liked "Autism and the God Connection." Reading the experiences the author wrote about I feel like my eyes were opened to the real possibility that special needs children do have a "God connection." In my quest to learn

what I can about children on the autism spectrum, I believe this is a good book to read.
