Bird on Fire - Hardcover - Andrew Ross - Oxford University ...

Bird on Fire Lessons from the World's Least Sustainable City Andrew Ross. Points the way to an urgently needed model that is built on the worst case instead of the best - if sustainability can be achieved in Phoenix, there is hope for every other sprawling city.

Book Review: Bird on Fire: Lessons from the World's Least ...

Bird on Fire is a tour de force of the sustainability credentials of the world's least sustainable city : Phoenix, Arizona. Its author, Andrew Ross, a Professor in social and cultural analysis at New York University, details the different aspects of sustainability in terms of social, economic and ecological in a very approachable and engaging style. But the book is not just about

Bird on Fire: Lessons from the World's Least Sustainable ...

"Books by Andrew Ross are always exhilarating adventures at the cutting edge of social thought, but Bird on Fire is particularly fascinating. Rather than recounting the green virtues of some demi-paradise like Vermont or San Francisco, he descends directly into the ecological and economic hell fires of Phoenix. The result is a landmark study of the micropolitics of the struggle for urban
