The Body Narratives

The Body Narratives Enter

The Body Narratives - Home | Facebook

The TBN's MAKE-HER Series looks to unravel and explore what makes an artist an artist. When we first started The Body Narratives in 2013, we began by interviewing artists and creatives globally about their work, their process and the relationship they had with their bodies.

Body Narratives Project - PATTERN SHIFT

Collectively, we can shift the predominant body narratives toward connection, dignity, love, and delight. Below you will find my first creative project to encourage us toward a loving, resonant union of body, heart, and mind.

Body Narratives Collective

Body Narratives Collective (BNC) is a Vancouver based collective with an interdisciplinary focus. Co-directors Meghan Goodman and Julia Carr view the world through the lens of dance, but are committed to researching performance practices that integrate different artistic disciplines in order to discover something contemporary.

Narrative - Wikipedia

As an adjective, "narrative" means "characterized by or relating to storytelling"; thus narrative technique is the method of telling stories, and narrative poetry is the class of poems (including ballads, epics, and verse romances) that tell stories, as distinct from dramatic and lyric poetry.

History and Narrative in Japanese

ABSTRACT. This essay analyzes what Oe Kenzaburo

(1994 Nobel laureate in literature) calls two opposing poles of ambiguity. The modernization of the Japanese language has been oriented toward learning from and imitating Indo-European languages (or Chinese), which permits one to make objective statements.

EN 1102 6.0A - Course Description

how different narratives of illness bear witness to the historical and political dimensions of medical practices, specifically as they relate to the physical, social and cultural environments within which they operate.
