[British foreign policy and the national interest ...](#)

"For over a decade, British foreign policy has been criticised for lacking strategic thinking. Academics describe a 'strategy gap' and note that old ideas about Britain's role in the world continue to be recycled even today. This collection aims to address this issue by re-examining the ideas of Britain's national interest and their impact on

[Analysis Of National Interest And Foreign Policy Politics ...](#)

Foreign policy is the means in which national interest has to be promoted, and according to the realist, the success and failure of foreign policy must be judged, by, if the

national interest of the state was promoted.
