Celandine by Steve Augarde

Celandine is an exciting book with a black and white illustration in nearly every chapter, such as the one on page six of a train. The book had a lot of words that I did not know. Some parts of the book were also quite confusing until later in the book when it is all explained. Overall, I would rate this book 7/10. The book begins with a part far into the book, and is therefore confusing until Celandine (novel) - Wikipedia

Celandine is a children's fantasy novel by Steve Augarde. It is the second book in the Touchstone Trilogy and was first published in 2006. Celandine is set ninety years before The Various , the first book of the trilogy.
