Key Ideas: Consumption by Robert Bocock (1993, Paperback)

Robert Bocock offers a distinctive analysis of the ideology of consumerism and the role of consumption as a socio-cultural process. Bocock first examines the role of consumption in early modern Western society, and then analyzes its emergence in the early 20th century up through the 1990s. His historical analysis provides the starting point for an analysis of consumption between the 1950s and
