Conversations on Ethics Alex Voorhoeve. Brings contemporary moral philosophy to life in insightful exchanges; Organized to productively contrast competing answers to the big moral questions

Conversations on Ethics by Alex Voorhoeve - goodreads.com

One of the best books I have read on ethics. Presentation is clear due to dialogue format, and at the same time rigour is there. And because the ideas are recent, this book is particularly illuminating.

"Voorhoeve succeeds in making the conversations accessible to and even potentially thrilling for the non-specialist. He excels in many conversations at probing the ideas of his interlocutor. All in all, a great contribution to the field, which will not only prove of interest to the student of ethics but also to the novice and the historian."-- Francois Claveau, in
