[Creating Better Futures: Scenario Planning as a Tool for a ...](#)

In *Creating Better Futures*, Ogilvy presents a profound new vision of how the world is changing—and how it can be changed for the better. Ogilvy argues that self-defined communities, rather than individuals or governments, have become the primary agents for social change. Towns, professional associations, and interest groups of all kinds help shape the future in all the ways that matter most, from schools and hospitals to urban development. The key to improvement is scenario planning—a
