Corporate financial restructuring in Asia: restructuring after the crisis, with some countries bouncing back much faster than others. These sounder corporate financial

practices bode well for financial stability. JEL classification: G32, G38. The 10th anniversary of the outbreak of the Asian crisis has been accompanied by numerous retrospectives on the causes of the crisis as well as the

Financial Restructuring in East Asia: Halfway There? - PDF ...

There might be closer parallels between East Asia's crisis and Japan's drawn-out bank and corporate restructuring. Both the scale of the problem and the close links between banks and corporations suggest similarities. Japan's banking problems have continued for almost 10 years. Only recently was a comprehensive framework for dealing with banking problems adopted, including public funds
