Critical and Post-Critical Political Economy - MAFIADOC.COM

There is a dialectical relationship between critical and post-critical political economy in that while postcritical perspectives open up Hegel and Marx to new interpretations the worth of the accounts they generate depends in part on the extent to which they help subsequently in assessing post-critical thought.

Critical and Post-Critical Political Economy | Facebook

They then review post-Marxist, post-structuralist, ecological and feminist standpoints that challenge notions of critical political economy sustained in the Hegelian-Marxist tradition. This study of critical and post-critical political economy concludes by arguing for the integration of these standpoints within a revitalized critical perspective.
