[Destiny by Tim Parks - Goodreads](#)

Parks reveals great insight into the questions of identity and destiny as his protagonist confronts a major life-changing event with the suicide of his son. This is the spur for Chris Burton to question where life is heading. Parks is very skilled in analysing the thoughts and motivations of his characters, but the pace of the novel lagged at times and the plot needed refreshing.

The central concept of destiny, rather than psychology, determining the course of people's lives also figures in some of Anita Brookner's novels. I wish the often too chaotic style of Parks' novel could have borrowed just a little of Brookner's calmness, in order to let such concepts breathe.

Reviews of 'Destiny' - Tim Parks

Chronicle of a Death. Sunday Times, 12 September 1999. By Lucy Hughes-Hallett. Tim Parks's masterly new novel *Destiny* opens with a sentence with which Vladimir Nabokov would, I think, have been pleased.

Destiny eBook by Tim Parks - 9781448104871 |

Rakuten Kobo

Intensely dramatic, dark and, against all odds, hilariously funny, *Destiny* is a satisfying story and a profound meditation on marriage and identity. Parks gives us a frightening experience of what it means to tread the narrow line between sanity and psychosis.

9780099284949 - Destiny by Tim Parks
