Equity and Choice: An Essay in Economics and Applied ...

In this book Julian Le Grand offers an answer to an age-old problem: the meaning of an equitable or just distribution of resources. He examines the principal interpretations of equity used by economists and political philosophers, and argues that none of them captures the essence of the term as well as an alternative conception, relating

Equity and Choice by Julian Le Grand OverDrive (Rakuten ...

Equity and Choice is written by an economist, but is intended for political philosophers and social policy analysts as well as economists. Hence the key chapters are written in a non-technical fashion, with specialized material relegated to appendices. This book is a unique combination of philosophical, economic and policy analysis and represents a major contribution in all three areas.
