Ethical issues on child labour in international business

Children labour is a large problem across the world, from my research the international labour organization states that there are 215 million children labourers aged between 5 and 17 years old. From the figures they say that 115 million are estimated to work in the worst forms of children labour. 53 million children fewer than 15 are in hazardous conditions for example sweat shops, 70% of children workers carry out unpaid work for their families. (PDF) CHILD LABOUR: ISLAMIC PERSPECTIVE International Labour Organisation (ILO) (2013) has set a target to eliminate the worst forms of hazardous child labour by the year of 2016. In a report, ILO (2013) mentioned that the fight

8 Responsible Research Involving Children | Ethical ...
Ethical Conduct of Clinical Research Involving Children considers the necessities and challenges of this type of research and reviews the ethical and legal standards for conducting it. It also considers problems with the interpretation and application of these standards and conduct, concluding that while children should not be excluded from potentially beneficial clinical studies, some **Publications on Child Labour in South Asia (ILO in India)**
