Financial Liberalization and the Economic Crisis in Asia ...

Financial Liberalization and the Economic Crisis in Asia. Edited by Chung H. Lee. London: Routledge Curzon, 2003. Pp. 233. There are a number of books on the Asian crisis, which provide detailed case studies of what went wrong with the financial reforms in Asia. This book is one of them. It forms a series of publications launched by the European Institute of Japanese Studies at the Stockholm **Financial Liberalization in East Asia: Lessons from ...** This paper studies the experiences of East Asian countries in conducting financial liberalization. Financial liberalization has two components, which are capital account liberalization and financial services liberalization. It is important to stress that the two components should not be confused, so
