Geography at University: Making the Most of Your Geography ...

Geography at University reviews each of the main methods by which students are taught geography - lectures, tutorial, fieldwork, practicals and projects - and explains what tutors will be trying to do during these sessions so that students can gain the most from teaching. Geography at University explains what tutors are looking for when assessing students works through their essays

Dymocks - Geography at University by Terry Wareham, Gordon ...

This means that students need to learn the subject in new ways. Geography at University shows them exactly how to do that. Being at university is a phase between school and career, this book will show students how university geography builds on school geography and gives them skills employers will be looking for when appointing graduates. Geography at University reviews each of the main methods
