What is free trade agreement? definition and meaning ...

When there is a free trade agreement it makes it a lot easier for countries to deal with each other and work out good deals. 15 people found this helpful I was glad the two countries had entered a free trade agreement because I would be visiting both countries and wanted each country to be on good terms.

5.15 Trade and sovereignty - Green Party of Canada

The Green Party supports fair trade that puts sovereignty, human rights, and the environment first and does not support trade agreements that put the rights of multinational corporations first. We recognize that trade is an important component of a sustainable economy but that it cannot hamper or undermine sovereign efforts to protect and enhance local quality of life and build local economies.
