Brown's book Just Enough is a compelling account of how Edo Japan confronted similar environmental problems and created solutions that connected farms and cities, people and nature."

Just Enough by Azby Brown (ebook) - ebooks.com

In Just Enough, author Azby Brown turned to the history of Japan, where he finds a number of lessons on living in a sustainable society that translate beyond place and time.

This book of stories depicts vanished ways of life from the point of view of a contemporary observer, and presents a compelling argument around how to forge a society that is conservation-minded, waste-free, well-housed.

[Living with Just Enough, by Azby Brown | DailyGood](#)
Abundance is a fact of nature. It is a fundamental law of nature, that there is enough and it is finite. Its finiteness is no threat; it creates a more accurate relationship that commands respect, reverence, and managing those resources with the knowledge that they are precious and in ways that do the most good for the most people.

Just Enough - Azby Brown (Paperback) - Books Online | Raru

Just Enough is a much-needed beacon in our evolving world, giving us hope in our efforts to achieve sustainability now. "In a work of astonishing imagination and intelligence, Brown, a professor of design based in Japan, looks back to the Edo era (Tokyo, 1603-1868) and sees parallels between the ecological collapse then and environmental malaise now.
