Read "Literacy and Globalization Reading and Writing in Times of Social and Cultural Change" by Uta Papen with Rakuten Kobo. Using literacy practices in the newly independent post-apartheid Namibia as a lens through which to examine the effects

Papen, *Literacy and Globalization* Queer/strokes/ Papen argues, not surprisingly, that literacy comprises a central role in the both globalization and social change (6). But it is not autonomous literacy, but a social view of literacy (ideological) that he utilizes here, which must conceptualize learning in a different way from a functional, skills-based perspective (168).
