This introductory volume provides an overview of the history of Literature as a cultural concept, and reflects on the contemporary nature, place and function of what the literary might mean for us today.

Literature by Peter Widdowson - Goodreads

"Literature" by Peter Widdowson This book explains what is meant by the term post-modernist . It also explores poetry and fiction of both the past and present by using post-modern critical tools. This means, it shows how ideas derived from linguistics, feminism and post-colonialism have changed critical thinking. The author presents the idea that the enjoyment of literature is a political
