Magic and Religion in Medieval England / Historical ...

Catherine Rider's study of the relationship between religion and the occult in medieval England complements the trailblazing work of Keith Thomas on the early modern era in his classic study *Religion and the Decline of Magic* published over four decades ago. She utilises previously unpublished evidence relating both to the widespread use of magical practices and the clergy's response to enquire
Catherine Rider (Author of Magic and Religion in Medieval ...

I've worked a great deal on the history of magic and my recent book focuses on the Church's attitude to magic in medieval England. While I continue to be interested in the history of magic, I'm now building on some of my other research interests and am working on a new project on *Attitudes and Responses to Infertility in Medieval England*.
