[Making Democratic Governance Work: How Regimes Shape ...](#)

[Making Democratic Governance Work: How Regimes Shape Prosperity, Welfare, and Peace](#) is a very concise and yet densely comprehensive treatment of governance through nation building and international pressure through aid and other means. It compares and contrasts different situations to prove many of the author's points, and it draws on a mountain of research on the topic to address both.

[Making Democratic-Governance Work: The Consequences for Prosperity](#) The Harvard community has made this article openly available. Please share how [Making Democratic-Governance Work: The Consequences for ...](#)

**Abstract.** Does democratic governance expand wealth and prosperity? There is no consensus about this issue despite the fact that for more than half a century, rival theories about the regime-growth relationship have been repeatedly tested against the empirical evidence, using a variety of cases, models and techniques.
