The Chinese don't polarize it's the last thing a Chinese would do; we get moving instead, says the Chinese head of a global life-sciences company. Everything is personal. Managers in China need to pay more personal attention to staff and colleagues than managers in many other cultures do.

[How to manage Chinese staff: 3 steps to empowerment ...](#)

After 5 years working full time in China (and a lot of trial-and-error), I start to understand how to manage Chinese staff for best results. I think one can distinguish three levels, from micro-management (everybody hates it) all the way to self-management and true empowerment.
