Mediating Dangerously: The Frontiers of Conflict Resolution

Sometimes it's necessary to push beyond the usual limits of the mediation process to achieve deeper and more lasting change. Mediating Dangerously shows how to reach beyond technical and traditional intervention to the outer edges and dark places of dispute resolution, where risk taking is essential and fundamental change is the desired result.

Mediating Dangerously: The Frontiers of Conflict ...

Mediating Dangerously makes me salivate with anticipation of just how exceptionally clever the ideas are for building peace at a substantial level. If some mediators are content to provide a standard service to help clients to achieve solutions, this book shows a finesse that can reach to the heart of particularly challenging conflict scenarios and create something magical and sustainable.

Mediating Dangerously: The Frontiers of Conflict ...

Mediating Dangerously shows conflict resolution professionals how to advance beyond the traditional steps, procedures, and techniques of mediation to unveil its invisible heart and soul and to reveal the subtle and sensitive engine that drives the process of personal and organizational transformation. This book is a major new contribution to the literature of conflict resolution that

will inspire and educate professionals in the field for years to come.
