I am a huge fan of Joey w. Hill. Which I would have to be to spend \$12 on an ebook. She has a way with words that very few authors possess. I was really looking forward to this story and it is fantastic! The disappointing part for me and my reason for leaving a 2 star review is that in several spots in this \$12 story there are nothing but blank pages and then the story picks up in the middle.

"My sister, selling Naughty Bits" Madison came up with the name and ends up inheriting "Naughty Bits" Part I of The Lingerie Shop a series of Novellas by Joey W. Hill. I absolutely love Joey W. Hill and the only fault I found in this book is it is way too short. I can't wait for the next one and I was surprised at how well this turned out since like many have already said.
