Dave Ramsey Review: Necessary Endings by Henry Cloud - F. Remy Diederich

Necessary Endings: Good things can happen when old things end. Cloud ends the book with a story about a friend who upon reflection realized the importance of necessary endings in his life. He said Everything I have that is of value has come from being willing to end something that I was doing and go to the next step. The endings and the great new beginnings are somehow linked together. You can't have one without the other.

In this insightful and deeply empathetic book, Dr. Cloud demonstrates that, when executed well, "necessary endings" allow us to proactively correct the bad and the

broken in our lives in order to make room for the professional and personal growth we seek. However, when endings are avoided or handled poorly - as is too often the case - good opportunities may be lost, and misery repeated.
