New social movements are defined as those that have arisen since the late sixties, and include the ecology, gay rights, peace, and women's movements. This volume provides a cross-national comparison of the development, mobilization, and impact of new social movements in four Western European nations-France, Germany, the Netherlands, and Switzerland.

New Social Movements in Western Europe: A
Comparative ...

The project on the comparative analysis of new social movements in Western Europe was launched by Hanspeter Kriesi when he was still at the Department for Collective Political Behavior of the University of Amsterdam in 1987. Jan Willem Duyvendak was the first assistant to be hired by the department for this project the same year. Ruud Koopmans joined the project a year later thanks to the
