Bravo to Jim Marrs for condensing our history and connecting the dots, backed-up by facts. Unfortunately, the choice of narration style was totally inappropriate. This is a serious, well-researched book, however, someone chose to have the narrator deliver exact quotations of scientists, doctors, researchers, etc. in accents and dialects as if this was theatre! This was a totally inappropriate

Our Occulted History overturns conventional knowledge and beliefs, presenting compelling evidence that the Earth once hosted prehistoric civilizations using technologies that very well may have surpassed our own. Sound unbelievable? Just a few hundred years ago, so was the concept that the Earth revolved around the sun.
