Available for the first time in English, this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities.

Peru, 1890-1977: Growth and Policy in An Open Economy ...

Arguing the necessity of a "radical redistribution of resources from the modern to the traditional sectors," the authors at the same time recognize the unreality of the prescription. Their analysis of poverty and inequality, which they attribute to an export-oriented economy dominated by foreign capital, is therefore hardly encouraging.
