### **The Police Legitimacy Crisis and Police Law Reform in**

...

The paper argues that police law reform in China is a reaction to a growing police legitimacy crisis attenuating police-public relationship. In the first part of this article (Wong, 2004) the case was made for police law reform in China using political, historical and doctrinal material.

### **"Policing with Chinese Characteristics" by Kam C. Wong**

A review of (occidental) literature on Chinese social control-policing shows that there is an imbalance in research output. There is a lot of research into social control system in imperial China; its historical roots, philosophical foundation, structural framework, and functional process.

### **Police Reform in China - CRC Press Book**

Police Reform in China provides a rare and insightful glimpse of policing in the midst of such change. The book begins with a historical account of police reform in the region since 2000. Next, it discusses the difficulties encountered in trying to understand Chinese policing, such as outdated perceptions, misinformation, cultural ignorance, ideological hegemony, and problems with
