[The experience in Northern Ireland reinforces a fundamental lesson about post-conflict reconstruction, namely, that a political settlement, especially one that foresees the centrality of policing, is a precondition for successful reform. This has been true wherever meaningful police reform has occurred, as in El Salvador and South Africa. Northern Ireland also suggests that it may not be](#) [Policing and Conflict in Northern Ireland | J. Wright ...](#) In societies suffering from acute political and social cleavage, policing agencies are invariably at the heart of the conflict resolution processes. In Northern Ireland, there have been calls for the RUC to be disbanded as well as for it to be retained unchanged. After considering various options
