The Politics of Industrial Relations - Kobo.com

The Politics of Industrial Relations provides a comprehensive analysis of Spanish unions from the Franco dictatorship until the present. It builds on industrial relations, comparative politics, and political economy literature to investigate the trajectory of Spanish unions. The book analyzes unions as political actors, that is, their interaction and involvement with governments, political
What impact did the Industrial Revolution have on politics?

The industrial revolution and politics come hand to hand and the revolution would've never been really successful without the support of the politicians.
