Promises and Contract Law by Martin Hogg - Cambridge Core

Promises and Contract Law is the first modern work to explore the significance of promise to contract law from a comparative legal perspective. Part I explores the component elements of promise, its role in Greek thought and Roman law, the importance of the moral duty to keep promises and the development of promissory ideas in medieval legal scholarship. Part II considers the modern contract.

Contractual remedies (Chapter 6) - Promises and Contract Law

The field of remedies provides fertile ground for analysing whether legal systems have a high regard for the promises made by parties to a contract, or indeed the promises made by a unilateral promisor (the same remedies generally being available for such promises), or whether instead what is sought is the achievement of goals other than
