The Ember-the only city in the world, as far as the residents know. The sky is always black, and there are no stars or moon. If the lights fail, there is total darkness. And that's something that has been happening more often lately, the lights failing. Lina and Doon, two young residents, just out of school at 12 years old with their first jobs, discover that things in Ember are even worse than everyone thinks, and they try to discover a way out of the coming darkness. When the city of Ember was just built and not yet inhabited, the chief builder and the assistant builder, both of them weary, sat down to speak of the future. They must not leave the city for at least two hundred years, said the chief builder. Or perhaps two hundred and twenty. Is that long enough? asked his assistant.

Best book I've read this year! Really cool. It is talking about the city of Ember is the only light in the dark world. Without Ember's great lamps, it's gonna dark.

forever Then Lina and Doon find the real world. They knew the city they lived in is a hole in the real world. At the end of the story, they tell all of the people the truth. Really good book!

### **The City of Ember (Book of Ember, #1) by Jeanne DuPrau**

Many hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. It worked but now the storerooms are almost out of food, crops are blighted, corruption is spreading through the city and worst of all the lights are failing.

### **The City Of Ember: The First Book Of Ember - Indigo Chapters**

In the city of Ember, the people have always thought their city was the only light in the world. There's a boy and girl called Lina and Doon. As the lights of the city begin to flicker on and off, everyone becomes desperate. Later in the book, Lina finds a piece of paper with holes that seems to be the only way out of the city. Doon and Lina then work hard to decipher it. But as they plan to
