Stepping Stones by Maureen Lee - Goodreads

I discovered Maureen Lee not a long time ago, and that was when I read her book The Leaving of Liverpool. I really loved the book, and it left such an impression on me. So, when I found this one, Stepping Stones, I couldn't wait to read it. Although it was not a bad book, it was too dramatic for my taste, and a bit unrealistic in order to believe in it and to fully capture it in your mind.
