[Summit Fever Review - Andrew Greig](#)

Summit Fever "A wonderful, gritty expedition book." Chris Borington "Achingly talented. A Rare find." On The Edge "An excellent read, one of the best expedition books so far." Climber REAL READERS REVIEWS! This book is a gem. A really good expedition book, and one of the best I've read in this genre, and goodness knows I've read enough of them. As the blurb says, Andrew Greig is a writer who

[Summit Fever by Andrew Greig fonyturton.com](#)

In Summit Fever, Andrew Greig, performing poet, musician, and novelist, suddenly finds himself in the role of budding amateur mountaineer on an expedition to the Mustagh Tower in the Karakoram. Quite an introduction to climbing! It was to be an attempt on what was once dubbed the unclimbable mountain with a disparate bunch of strangers by a man better armed with a pen and notebook than

[Summit Fever by Andrew Greig - Goodreads](#)

Summit Fever is one of those rare gems. Equally poignant, hilarious and thought-provoking at the same time. In brief, the book details an attempt by a group of eccentric but talented climbers to summit the Muztagh Tower. But really the joy of the book isn't in reading about the climb, it's the narration. Greig is a writer first and foremost. Prior to this expedition, he was not a mountaineer. His training consisted of some brief interludes in Glencoe in the highlands before

Summit Fever and over one million other books are available for Amazon Kindle.

[Summit Fever - Andrew Greig - Google Books](#)

Summit Fever has been loved by climbers and literary critics alike for its refreshing candour, wit, insight and the haunting beauty of its writing. Much more than a book about climbing, it celebrates the risk, joy and adventure of being alive.

[Amazon.ca:Customer reviews: Summit Fever](#)

The idea behind Summit Fever sounds promising - a writer with no climbing experience is invited to join a Himalayan expedition. Andrew Greig is given a few lessons on winter technique in Scotland and then it's off to the Karakoram, with a motley crew of climbers and trekkers to tackle the Mustagh Tower, but money problems and discord nearly
