As useful for the drama novice as for the busy literacy co-ordinator, these flexible activities are designed to help teachers meet National Curriculum and National Literacy Strategy (NLS) requirements, particularly through speaking and listening. The book is divided into three parts: Part 1 looks at literacy and the power of drama as a 'brain-friendly' medium for teaching and learning. Part 2 - **Teaching Literacy Through Drama | Drama Resource** Drama is a close ally in the development of literacy. Speaking and listening skills are enhanced through drama strategies, role-play and improvisation and by the exchange of opinions and negotiation that naturally occur in group activities.
