The Literary Subversions of Medieval Women: Jane Chance ...

'Chance's study is an incisive, eloquent, and erudite survey of the wide-ranging strategies which medieval women writers in Latin, French, German, and Italian deployed to turn the tables on the misogynist literary culture of their time, to restore in effect the abused ideal of a universal republic of letters. It combines the latest scholarship in critical and cultural studies, especially post-colonialist and feminist theory, with a sweeping, often breath-taking command of more traditional

This study of medieval women as postcolonial writers defines the literary strategies of subversion by which they authorized their alterity within the dominant tradition. To dismantle a colonizing culture, they made public the private feminine space allocated by gender difference: they constructed 'unhomely' spaces. They inverted gender roles of characters to valorize the female; they created alternate idealized feminist societies and cultures, or utopias, through fantasy; and they
