Its inner culture, Gilpin observed, had divided into haves and have-nots, in ways both subtle and obvious. The Maharishi - believed to be in his late eighties or early nineties and now living in Holland - was promoting projects that involved global government, third-world rulers, claims of levitation, and grandiose fund-raising campaigns. The Maharishi Effect is one man's bittersweet chronicle.

**The Maharishi Effect: A Personal Journey... book by Geoff ...**

The Maharishi Effect is fascinating and beautifully written. I too am from the boomer generation, and several of my friends made strong commitments to the movement, so I was always curious. It seems to me that Gilpin writes lucidly and vividly and without bias -- and the result is a multi-perspective, thoughtful, meticulously researched and very human look at this organization, highlighting
