book, Sierra Club Director Ken Midkiff exposes the dangers posed by corporate control of agriculture (agribusiness)--to our health, and to the health of the nation's eco. "We have given up to the agribusiness corporations a crucial part of our responsibility as human beings and we must now think of ways to take it back."

### **The Meat You Eat: How Corporate Farming Has Endangered ...**

Like other reviewers have stated, this book doesn't pull any punches. Midkiff lays out the horrors perpetrated by agribusiness (ethical, economic, environmental, medical) and the government's complicity therein. This essentially reads like Upton Sinclair's *The Jungle* for the modern era, only the
