The Proper Study of Mankind: Sir Isaiah Berlin ...
"The proper study of Mankind is Man." Not ideals. Not ideologies. But human beings as they really are--and what they actually do. Berlin does not believe in final solutions to human questions. There is no definitive answer once and for all. Nor is there one way, the way, the only way to be, live, act, think, learn, work, write, express oneself, etc. Everyone is human. But no two human beings.
