Lescroart's mysteries are character-driven, well-written, and well-plotted - exactly what I look for in a mystery, with the added bonus of a Bay Area setting - an added bonus for a former Bay Area resident, and for anyone who loves San Francisco and its environs. I recommend it most highly, along with all the other Lescroart mysteries.

Lescroart's (The Second Chair) elaborate tale includes police corruption, organized crime, a former criminal's attempt to build a new life, and a love affair for Dismas. Reader David Colacci does an excellent job, as the author provides enough twists and turns to hold the listener's interest. Recommended for all audio collections.
