PM Press - Turbulence 4: Who can save us from the future?

Turbulence 4: Who can save us from the future? Today, the very act of thinking about the future has become a problem. What both capitalism and 'really existing socialism' had in common was the belief in a future where infinite happiness would spring from the infinite expansion of production: sacrifices made in the present could always be

Owen King's debut novel is not about his famous dad Who Can Save Us Now? Brand-New Superheroes and Their Amazing (Short) Stories , followed in 2008. Both got good reviews, but King struggled to be judged on his own.
